**Author's Statement**

I hereby truthfully warrant that:

a) the article titled **"Morpho-functional characteristics of the right heart in elite Serbian triathletes"**, submitted for publication in the TEME Journal, is the result of my own original research, and that I hold the right to publish it;

b) that it does not infringe any copyright or other third-party proprietary rights;

c) that it complies with the standards of scientific methodology with respect to quoting, citing and referencing others' work;

d) that it has not been published elsewhere, under this or any other title;

e) that it has not been submitted for publication elsewhere, under this or any other title, and that it will not be submitted for publication elsewhere, in Serbia or abroad, until the author has been informed by the Editorial board of the Journal whether the article has been accepted for publication or not;

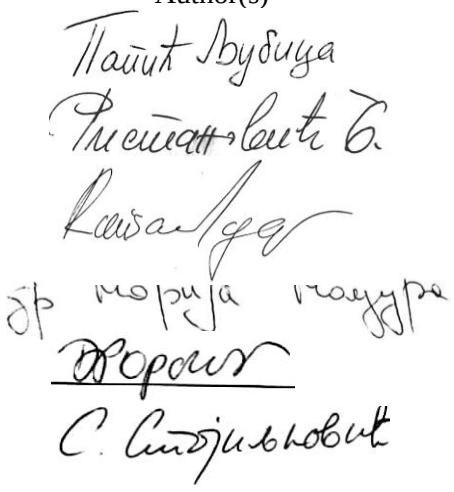

f) that, after this paper has been published in TEME, if the same paper is re-printed in any other journal, in Serbia or abroad, the information about the publication of the paper in TEME will be given in a footnote, and the Editorial board of TEME notified about that.

The description of the contribution to the article of every co-author individually:

LJP, BR, IR, MM, DP, and SS conceived and designed the research. DP performed measurements, with the assistance of BR. LJP, BR, and DP collected data. DP, LJP, BR, and SS organized the database and performed the statistical analysis. BR, LJP, and SS wrote the first draft of the manuscript. All authors contributed to the manuscript revision, and read and approved the submitted version.
